COMPRESSION EXPERTISE

PRODUCTS

Everything we sell,
we repair & recondition

Compressor Components

- Compressors
- Screw Compressors
- Compressor Cylinders
- Compressor Valves
- CP Valves
- Connecting Rods
- Crossheads
- Fan Shafts
- Injector Valves
- Liners
- Piston & Piston Rods
- Rings
- Rod & Wiper Packings
- Scavenging Plates
- Unloaders

Engine Accessories & Controls

- Engines
- All Altronic Systems & Components
- Actuators
- Air-fuel Ratio Controllers
- Annunciators
- Catalyst Elements
- Control Panels & Components
- Fuel Regulators
- Governors
- Lubrication Systems & Components
- Magnetos & Digital Ignition Systems
- Spark Plugs
- Starters
- Turbochargers

**We also offer on-site installation and troubleshooting of engine accessories and controls.*

**If product is on a compressor skid, contact us, and we'll locate the part you need.*

We are the largest ALTRONIC distributor in the world.

MANUFACTURING SERVICES

Our parts are always made adhering to OEM specifications or better. We also offer custom engineered part designs.

- AJAX
- Ariel Corporation
- Chicago Pneumatic
- Cooper Machinery
- Dresser Rand
- Gardner Denver
- General Electric
- Gemini
- Hall Compressor
- Ingersoll Rand
- JA Compressor
- Joy
- Knight Industries
- Knox Western
- Penn Pump
- Potemkin
- Siemens
- Superior
- Worthington

Standard Lead Times

- 100% of Our Parts Are Manufactured in the USA
- Expedited Delivery Available, Some Even Same Day!

The lead times below are for standard orders of engineered parts. GCS stocks many common parts for quick delivery, with some manufactured on an expedited basis per request and some available same day.
